Report on request

Testing Report Nr. 11788217#1166 //Request complete

First name , Last name **Narendra Nirmal Jana** Address Answer receiver :Patient personally
Email
UniqueNum **32 Years 27.10.84** **Narendra Nirmal Jana**
Age **Male** **e-pasts**
Sex **28.12.16,13:14**
Arrival Date,Time **Appropriate for testing**
Sample characteristic **Pacients**
Sender **Pacients**
Payer

Test title	Result	Reference interval	Units	Prev. Result/ date
------------	--------	--------------------	-------	--------------------

Clinical Chemistry

1/10 A	*Urea	5.9	1.7-8.3	mmol/L	
2/10 A	*Creatinine	78	30 - 106	µmol/L	
3/10 A	*Glomerular Filtration rate	88	>90	ml/min/1.73 m ²	

Cockcroft - Gault formula, weight 52 kg

Urine Clinical Chemistry

4/10 U	*Ethanol	0.00	0.00 - 0.50	g/L (‰)	0.00 / 14.12.16
5/10 U	*Barbiturates	Negative			
6/10 U	*Amphetamines	Negative			
7/10 U	*Cannabinoids (THC)	Negative			
8/10 U	*Opiates	Negative			
9/10 U	*Cocaine	Negative			
10/10 U	*Phencyclidine	Negative			

Result of screening for drug abuse using Siemens/Advia 1800, EMIT method.
Positive results must be confirmed with alternative method.

End of Report

Examination methods and uncertainties of measurements can be found in the homepage:

www.egl.lv

Results relate only to the material tested.

Testing report validated electronically. Valid without doctor's signature.

Sample draw: A: Blood 28.12.16 13:14 internal sample
U: Urine 13.20
