Dear Mr. Jana,

after reviewing your documents, we conclude that your case primarily needs a criminal audit.

Medical law always requires a treatment error, which causal leads to a refundable damage. This is not explicit in your case. In the present case criminal offences come into question, (inter alia falsification of a document). For this reason, we recommend you a lawyer who is specialised in criminal law, so-called "Fachanwalt für Strafrecht". In addition, it is advisable to contact a lawyer in Berlin, because the focus of your matter has taken place in Berlin.

We regret not being able to help you with your case. Therefore, we do not charge this first legal estimation.

We hope you find a suitable lawyer and wish you much success on this matter.

Kind regards,

Sinja Hensel  
Rechtsanwältin
