**Re: Advice and Counsel Re: Potential Lawsuit by Narendra Nirmal Jana**

Dear Bala:

This letter reflects our agreement concerning my representation of you and your son, Narendra Nirmal Jana, in the above matter.

You have asked me to review certain documents relative to a potential lawsuit prepared by Narendra and to provide advice and counsel concerning same. Please note that this engagement does not extend to representation in any such lawsuit, which would need to be subject of a separate agreement before the lawsuit is filed.

**Fees.** You agree to pay me \$200.00 (two-hundred dollars) per hour with time calculated in increments of one-tenth hours, and with a minimum of one-tenth of an hour being billed for any given task. Invoices for services will be provided by electronic mail, with payment due within 15 days.

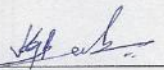

The initial tasks to be performed including reviewing documents you have provided and meeting with you and Narendra to discuss the matter. I do not anticipate that these initial tasks will take more than several hours, after which we can discuss whether additional representation will be needed.

If these terms are agreeable, please execute this engagement letter as indicated below and return same to me, retaining a copy for your records.

Very truly yours,

C. Alex Hahn
