

**Imagen Radiological- Chat transcript:**

Narendra: So I had an MRI done here , hmm August 25th.  
I was wondering do you have the original MRI data or the MRI report that came along with it.

Receptionist: I think the report, maybe, maybe. But let me check, ok.  
It was in August 25

Narendra: August 25th 2017 and Its under the name...

Receptionist: Its an MRI form your head....

Narendra: Brain and cervical MRI

Receptionist: Brain and cervical.

Narendra: Yea, and then I believe its under the name... I'm not sure what name its under.

Receptionist: I need the name.

Narendra: The name is right here N-a-r-e-n-d-r-a. Last name is Jana

Receptionist: Narendra-Jana. Do you need the report?

**Narendra: Yea, if you could check if both the data and report here there that would be great.  
If not, then that's fine.**

**Receptionist: I think, the images not. Because we have a.. a.. blackout in the system.**

**Narendra: Oh.**

**Receptionist: A few months ago. So.. the report I think yes.**

**(The radiology clinic erased the MRI to try and hide evidence of the assault in UCSD, San Diego Emergency.**
