Murder attempt by the US/UK in Mexico City on November 23<sup>rd</sup> 2021:

Me after the murder attempt:

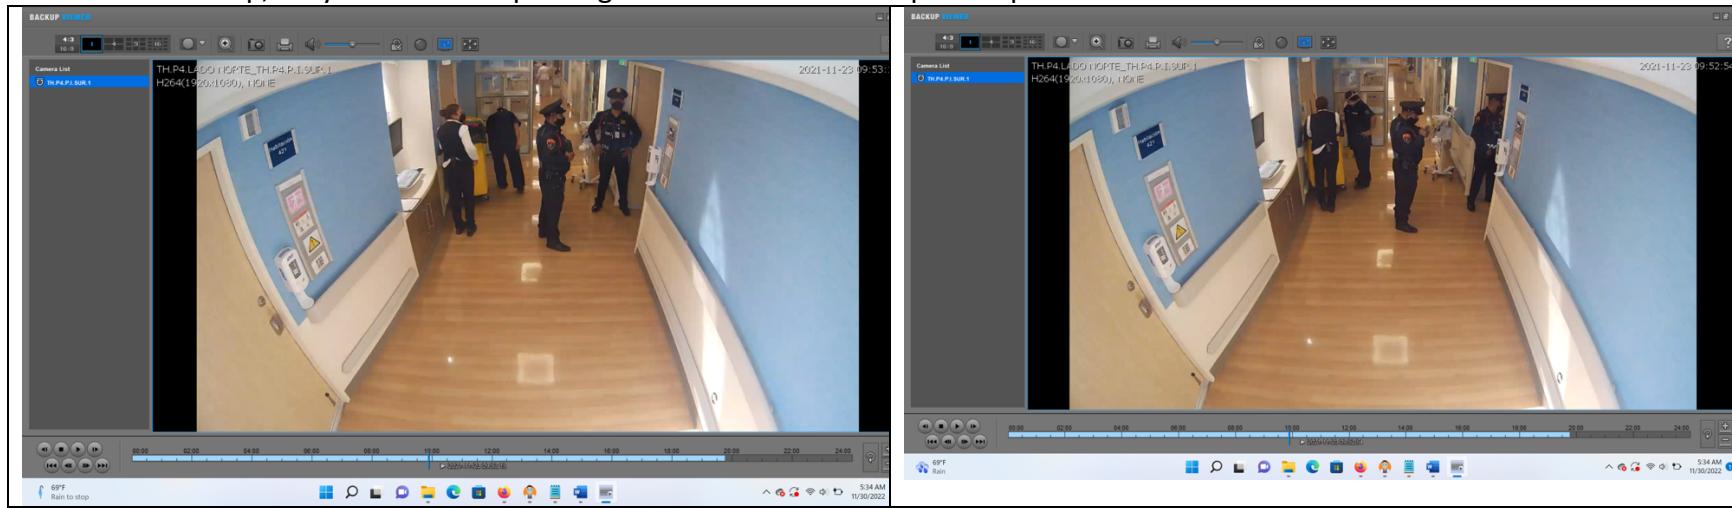

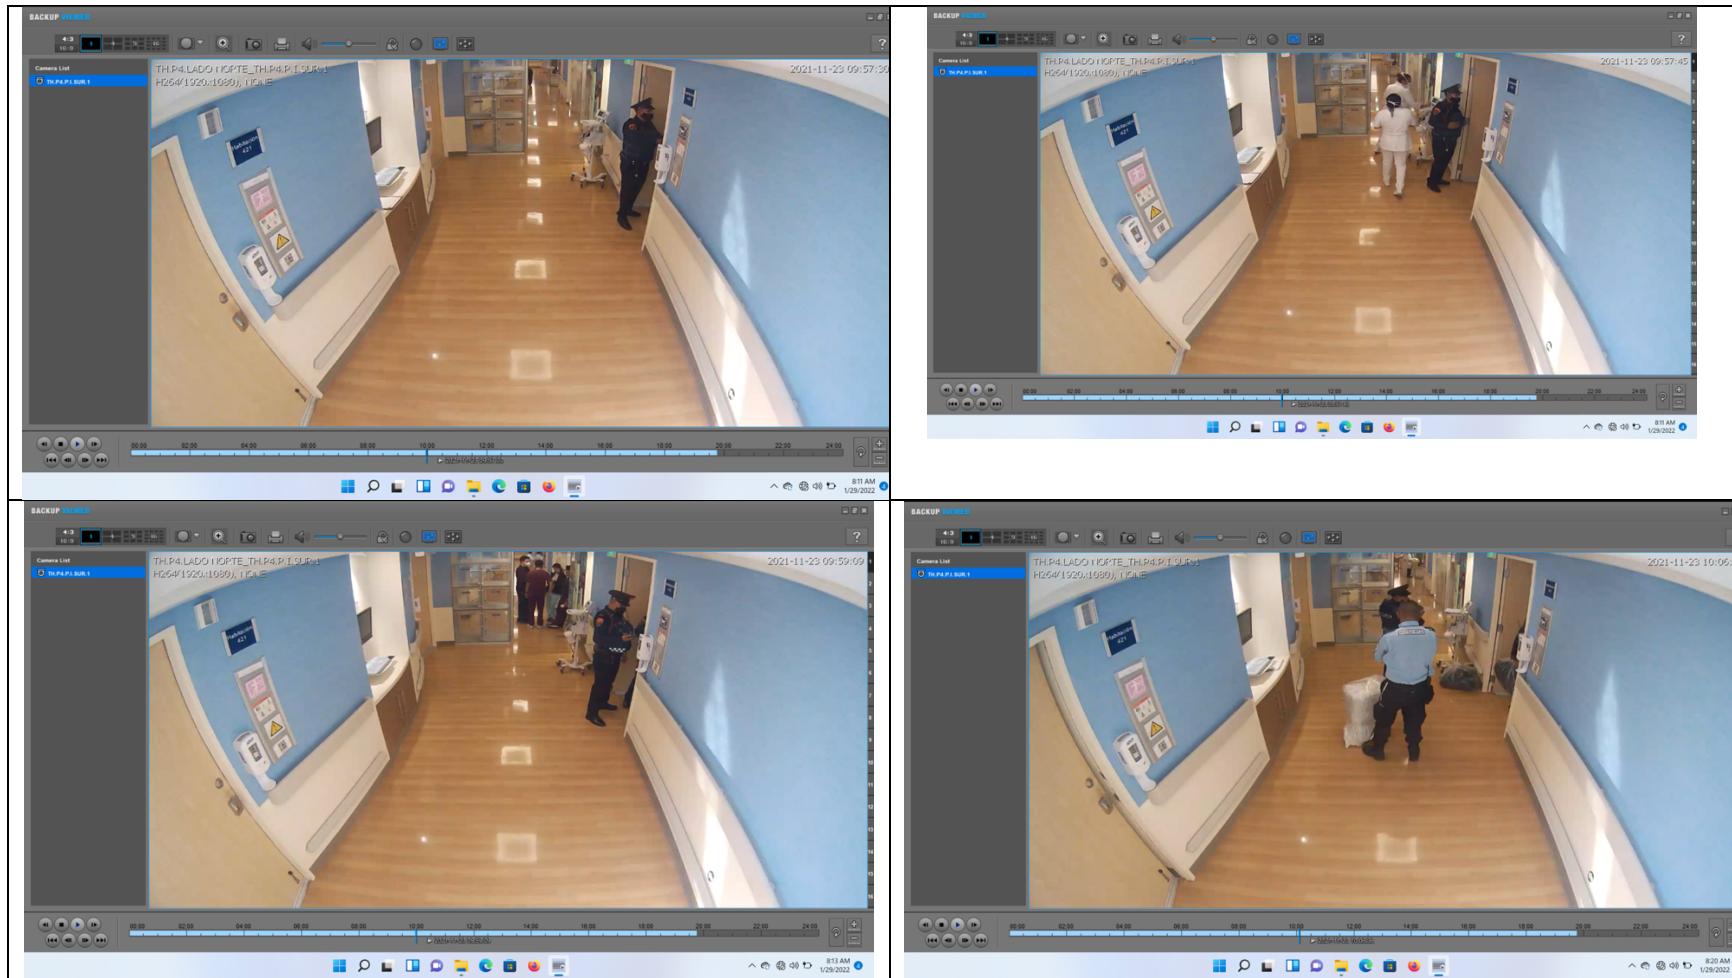

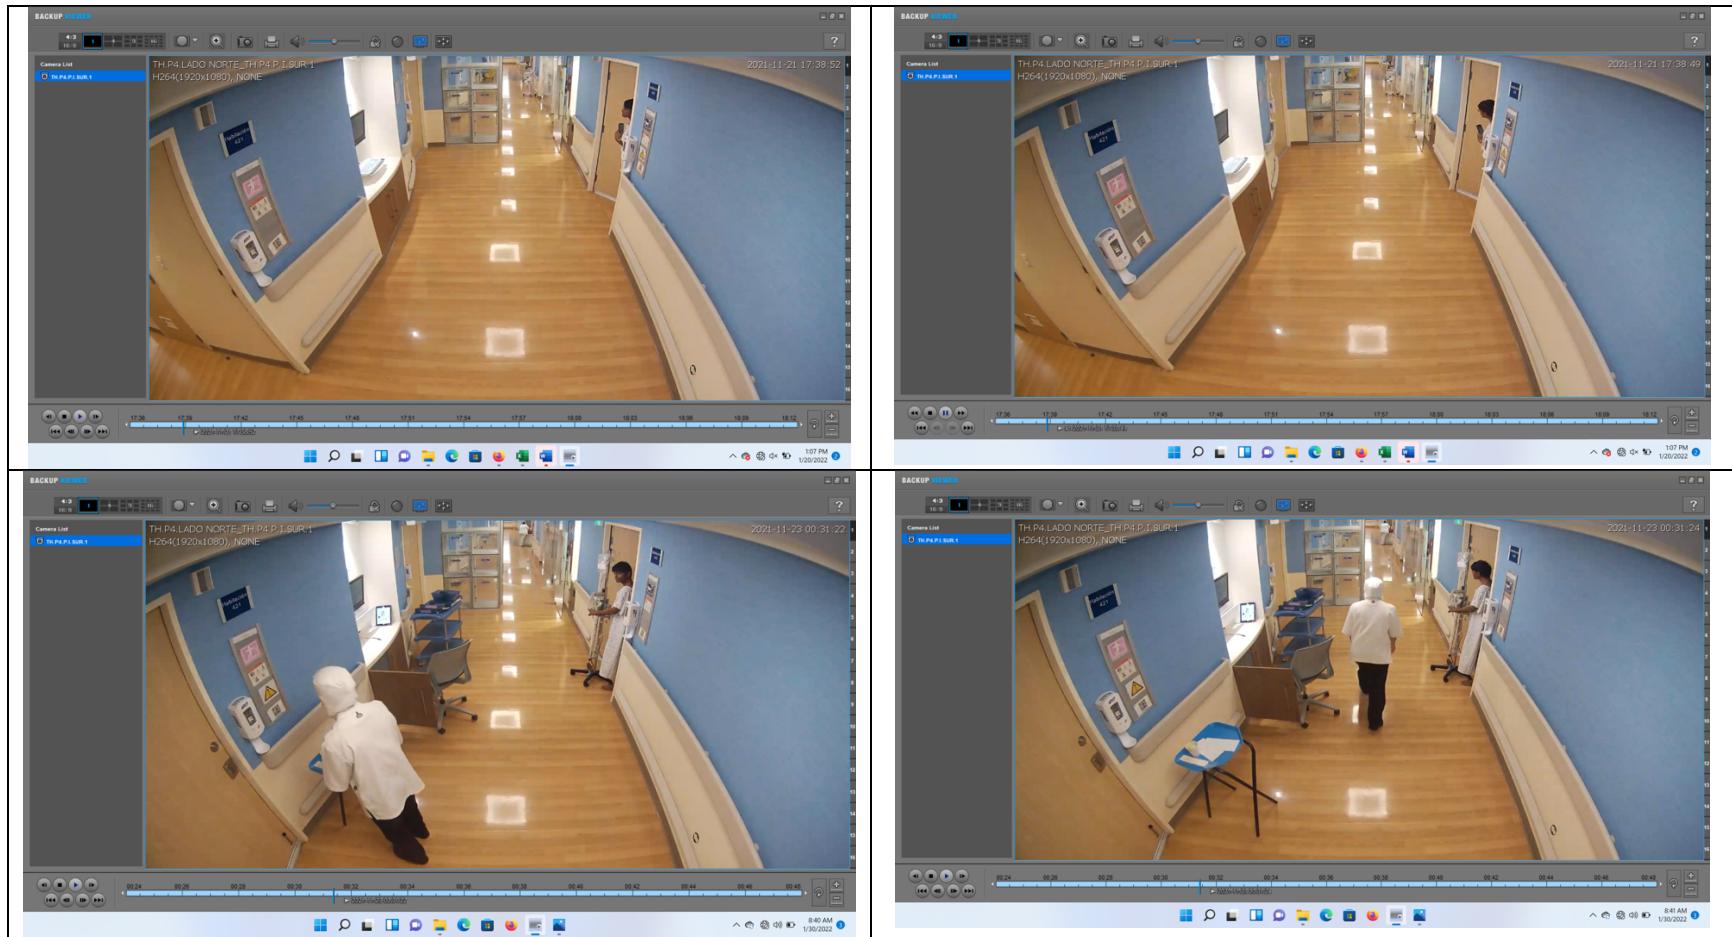

Police come to help, they take me to a police guarded floor in the hospital to protect me from harm:

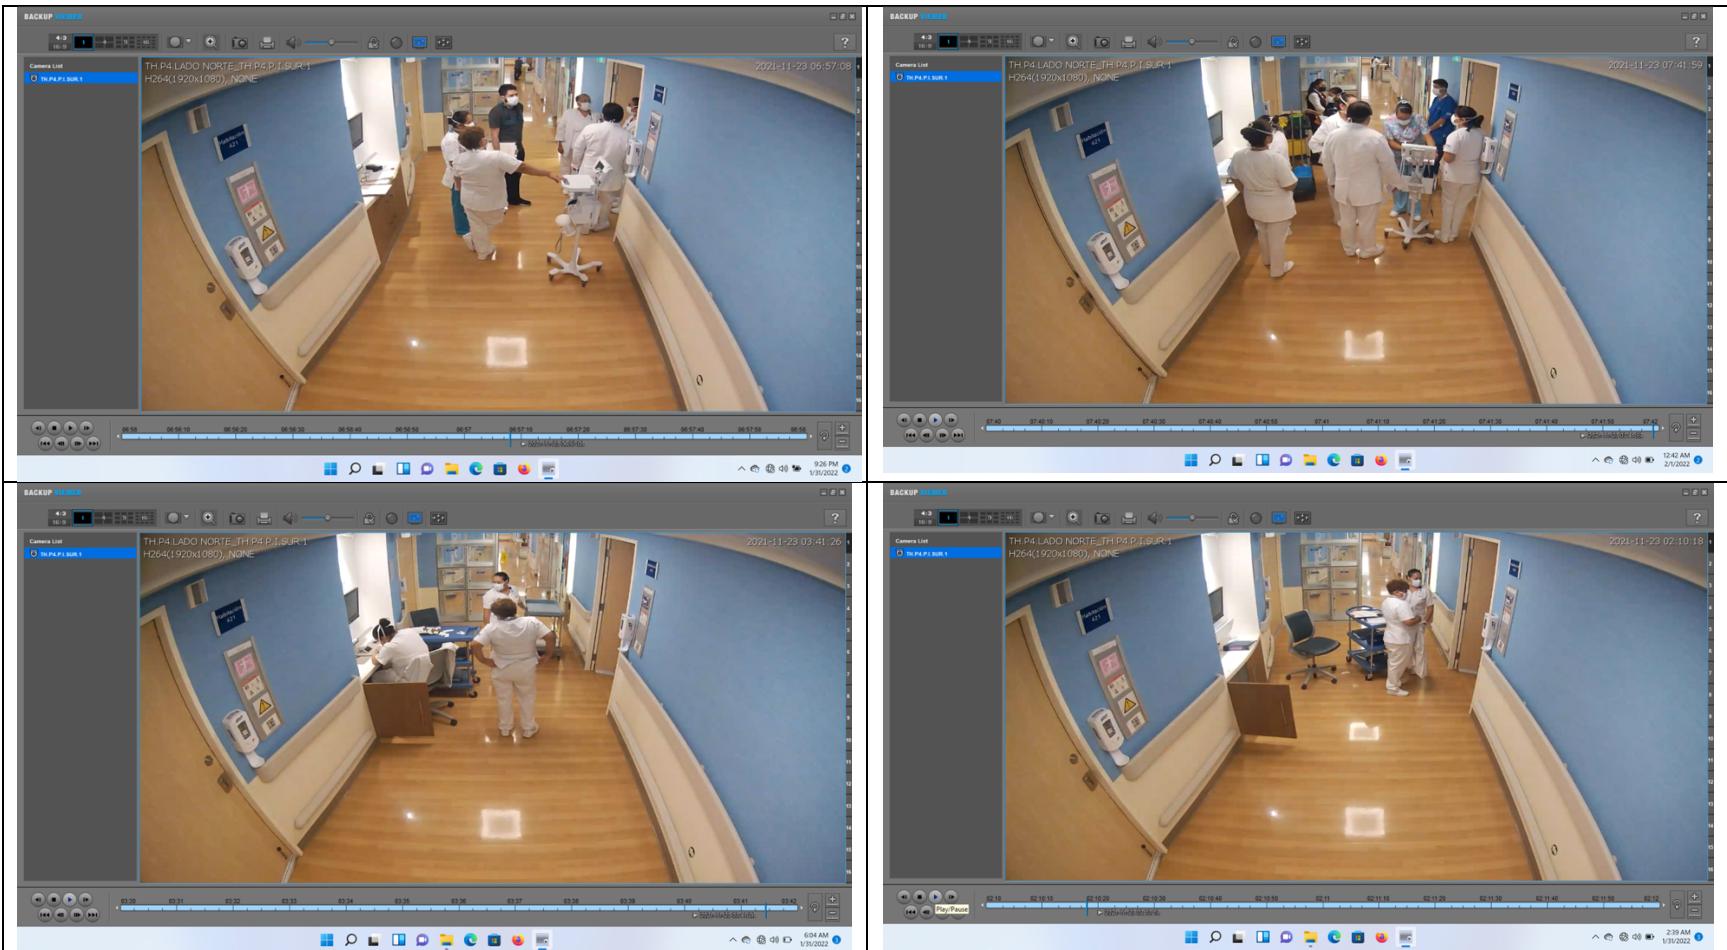

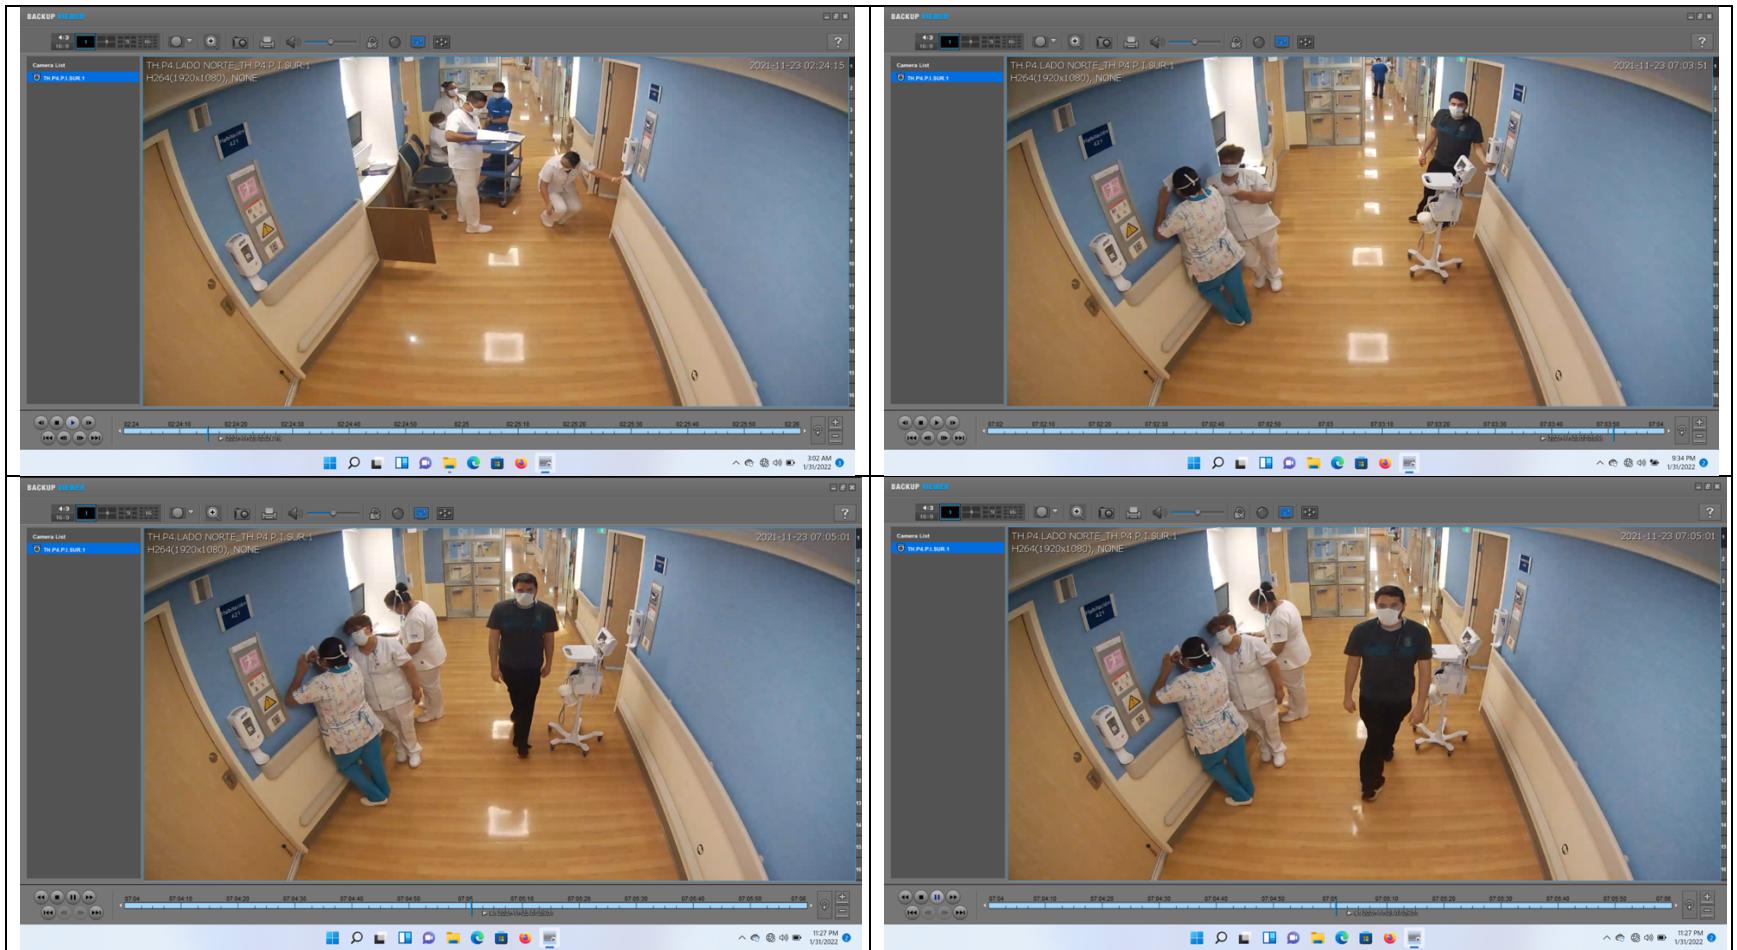

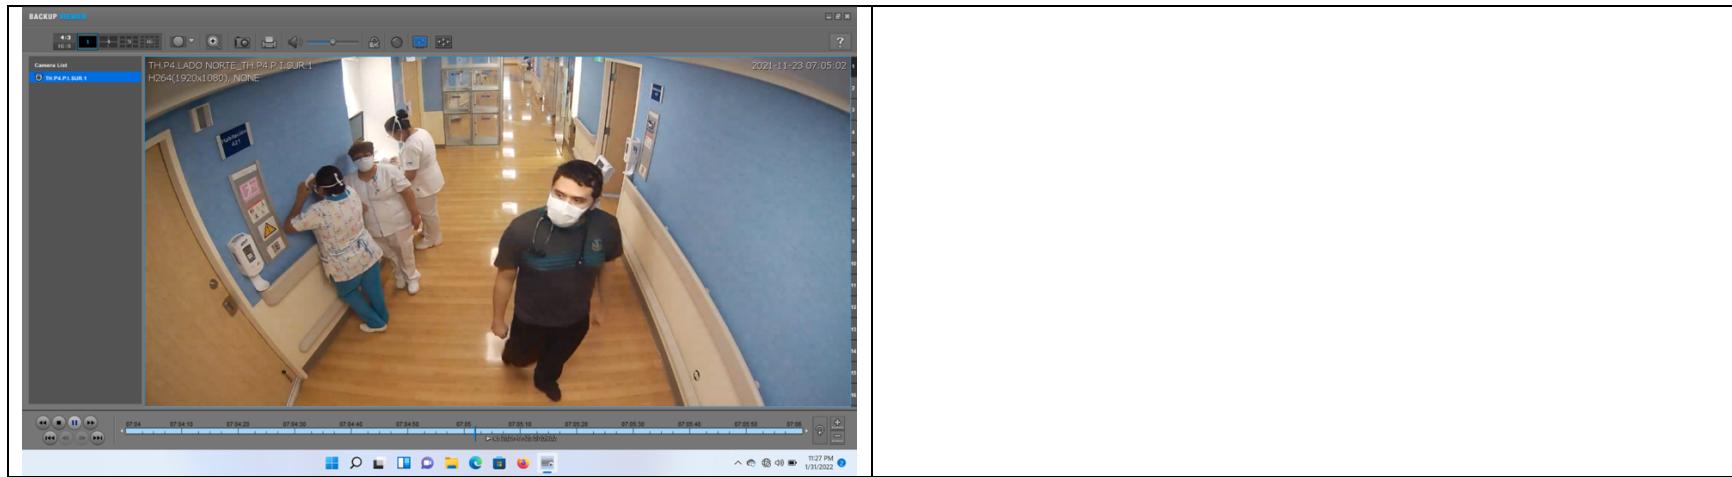

I am awake and conscious before the murder attempt:

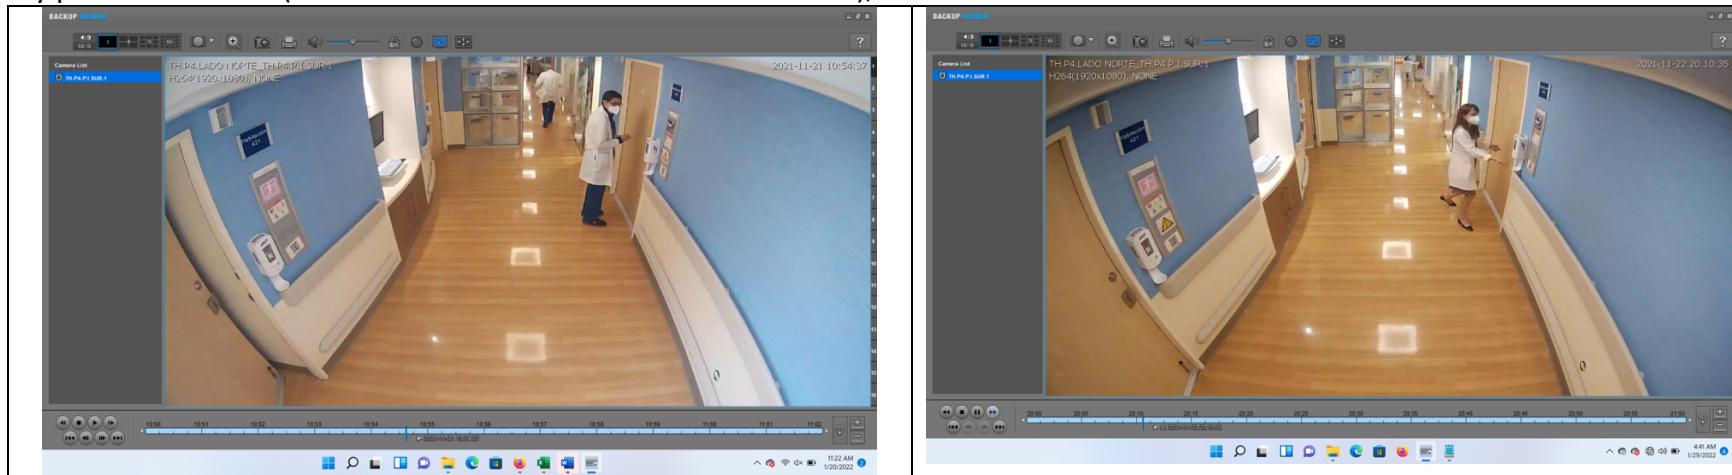

Those likely involved in the murder attempt (includes the night time nurses and night time doctor):

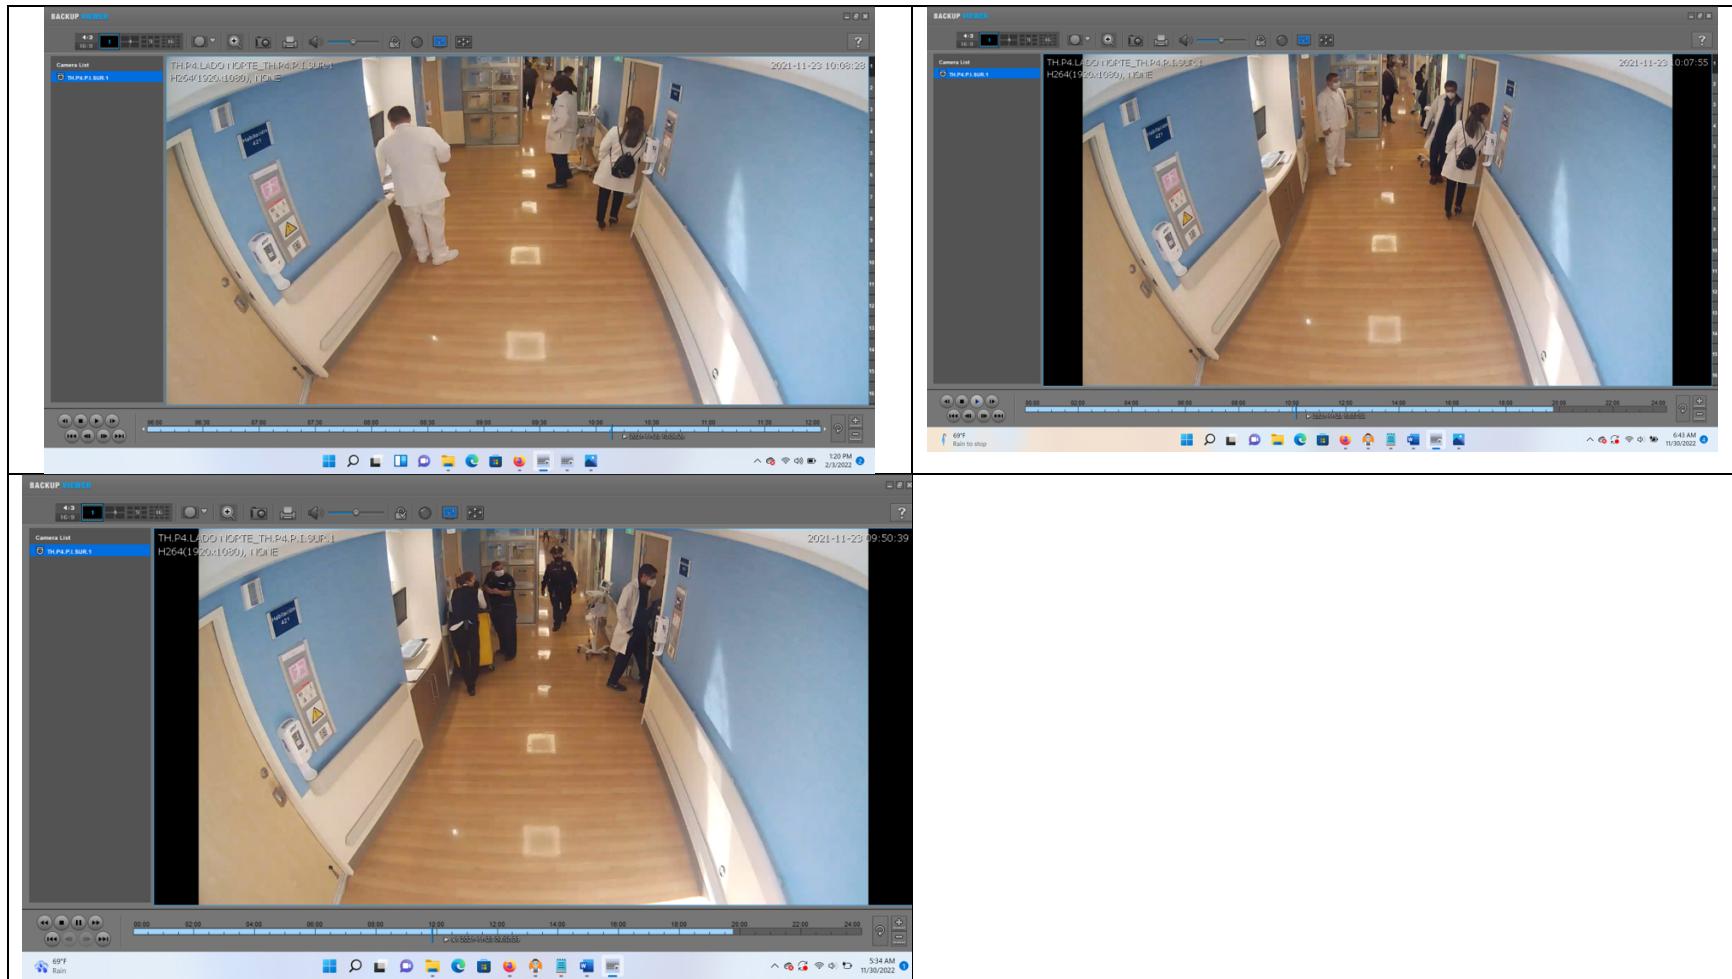

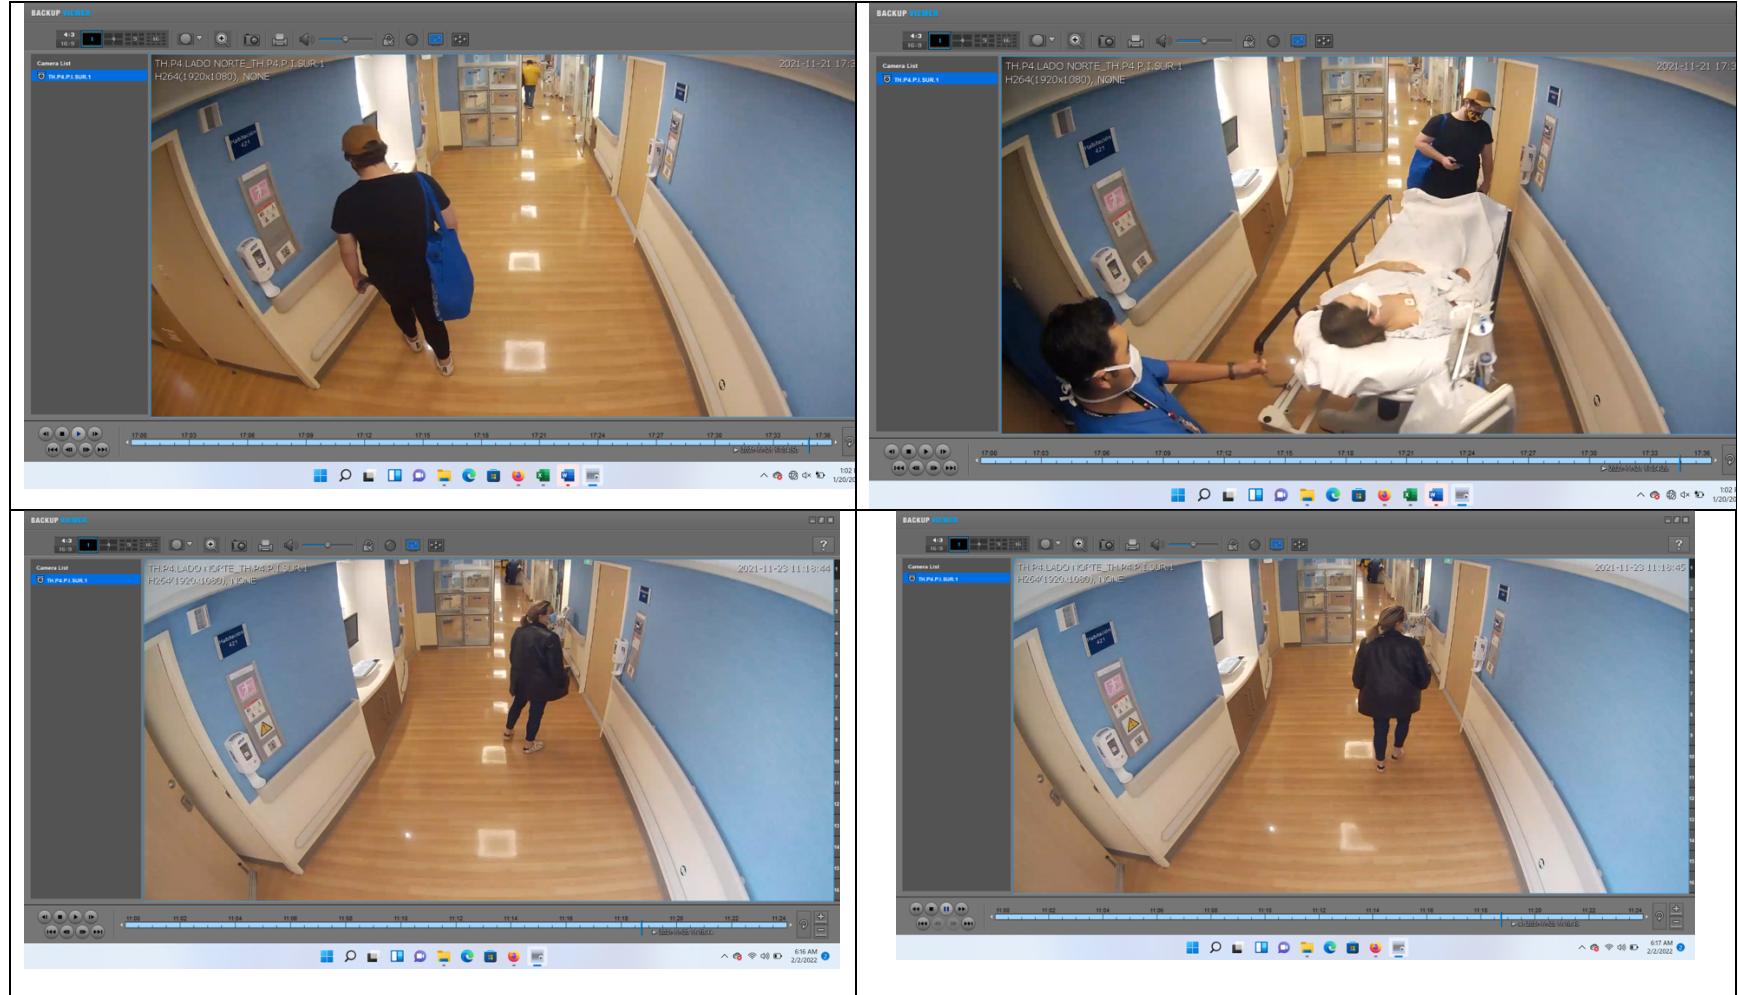

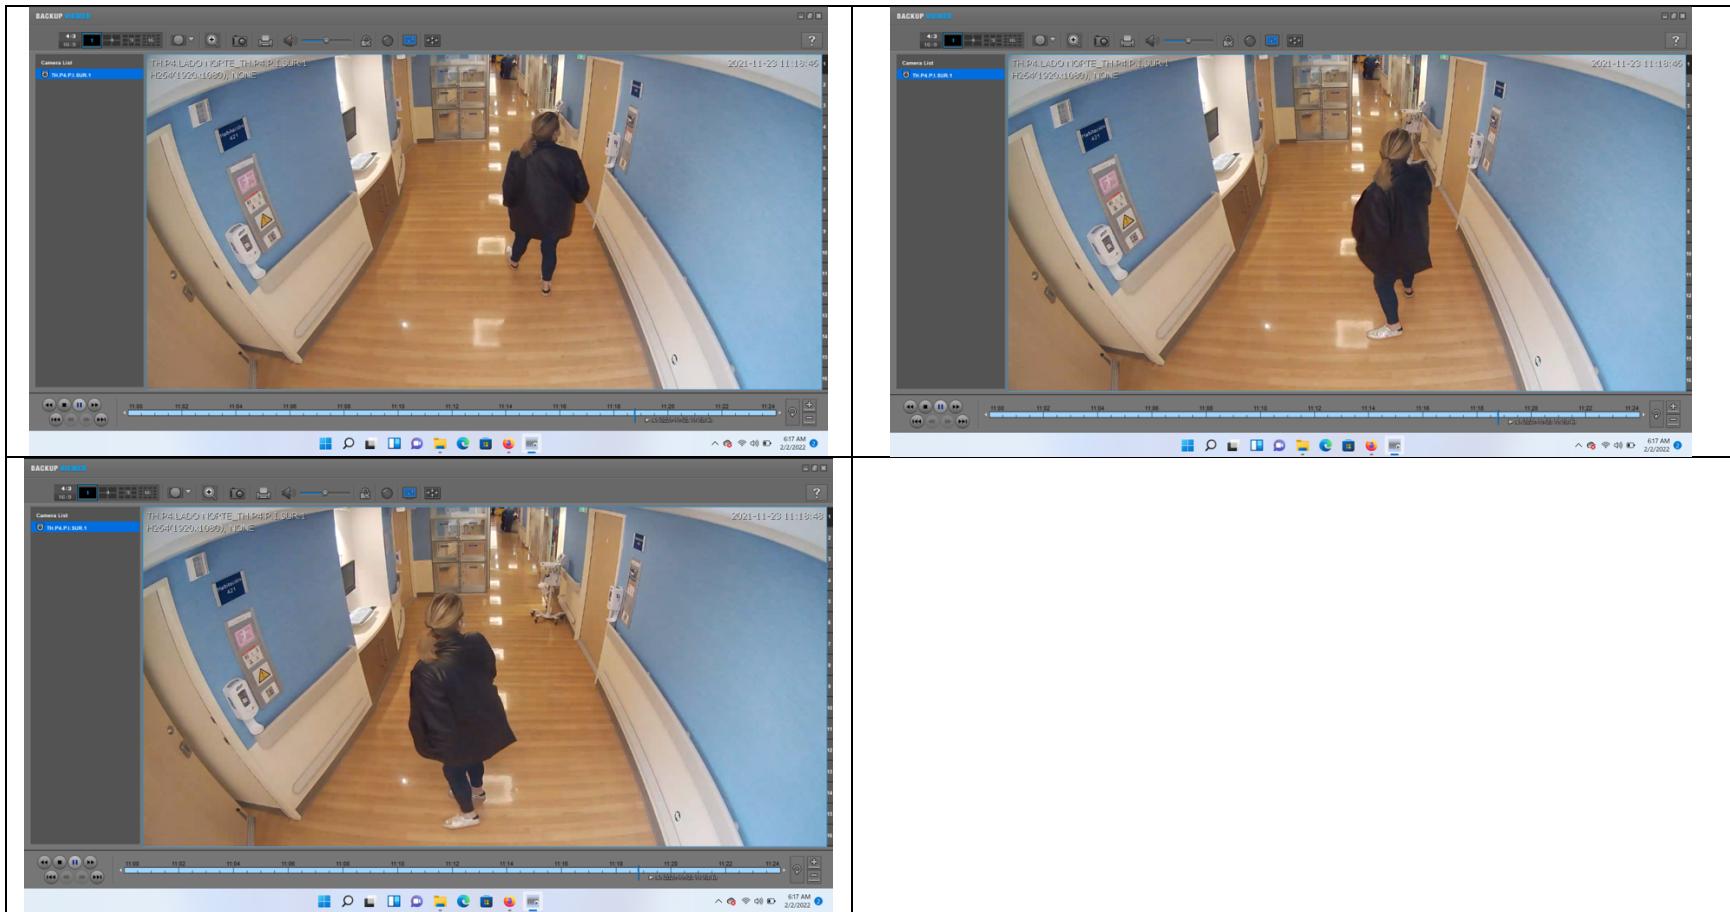

My personal doctors (Dr. Yama Pino Pena and Dr. David Escamilla), whose involvement is unknown:

There are UK/US neighbors next to my hospital room in a Mexico City hospital (called Medica Sur). International involvement in those attempting to murder me.:)

The hospital lawyers (Moises Gonzales and Edwardo):
