**The profile of Dr. Evan Murray, who initiated the US military doctor role in the cause of harm to me. The goal of their harm is to intellectually disfigure me. This was done from December 2008 to 2023 by medical mistreatment/neglect of a sever form of multiple sclerosis due to a manganese toxicity. Their process of intellectual disfigurement to try a win their mis portrayal of me caused extreme physical pain and physical torture for 15 years.**

The screenshot shows a web browser displaying the Mass General Brigham McLean website. The URL in the address bar is [mcleanhospital.org](https://mcleanhospital.org). The page features the McLean Hospital logo and the tagline "Putting People First in Mental Health". The navigation menu includes links for "Treatment & Services", "For Patients & Families", "For Professionals", and "Support McLean". The main content area displays a portrait of Dr. Evan D. Murray, MD, and provides details about his titles and professional background. A biography section is also present, and a cookie consent banner at the bottom is partially visible.
