I tried to Report it to the FBI and Police in the US (Massachusetts and Texas) in 2022 Before I Came to Japan

I tried to report it to the FBI and Police in the US in 2022 before I came to Japan. Its US government restriction/persecution so they wouldn't take the police report for it.

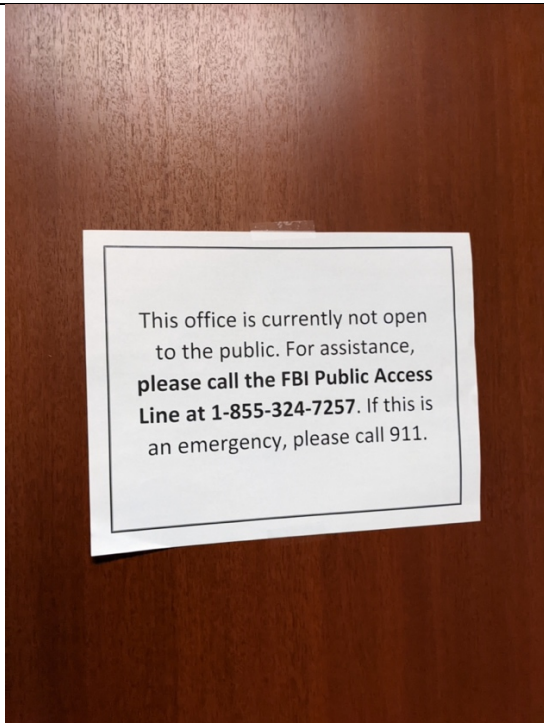

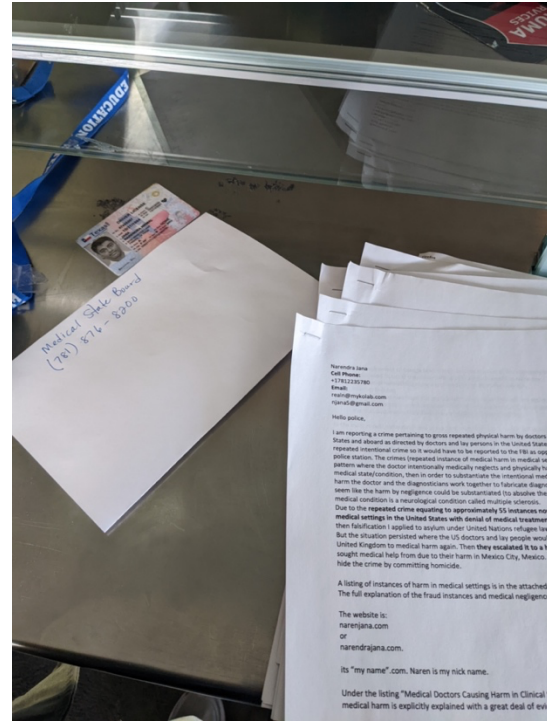

This is Boston police.

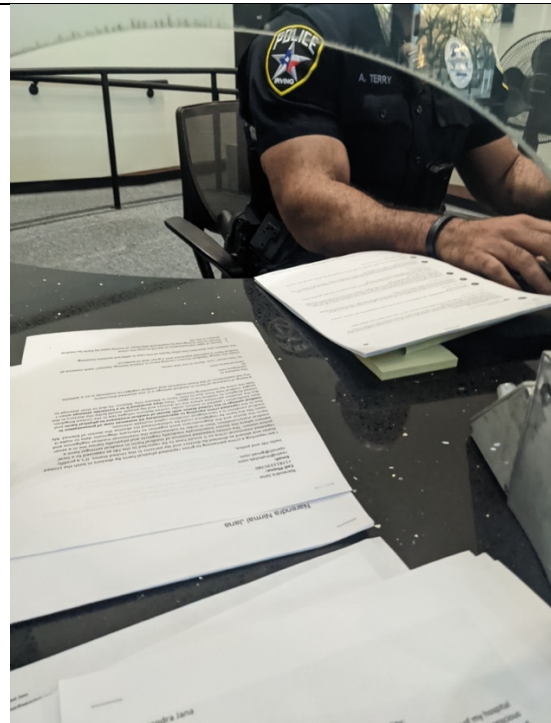

Boston Police.

I tried to reporting it to Police in Massachusetts:

FBI wouldn't take the police report in Texas.

The Texas police station wouldn't take the police report.
